## Winter Band Day Program

Please join us on January 14, 2017 as we present our **Winter Band Day!** The Southwest Community Concert Band conceived the **Winter Band Day** program in 1995. The program was and continues to be a musical outreach program for our band. As the band is mostly comprised of adult members, we view junior high school music students as our 'future members'.

The Southwest Community Concert Band believes that its was important that students have a rewarding musical experience in their early years, thus we created **Winter Band Day**.

Participants must have completed (1) one full grade or year of band lessons

As many of the members of the Southwest Community Concert Band are music educators, instructors and/or performers, so we have the educational resources necessary to run this type of musical program.

Offering **Winter Band Day** in conjunction with St. Francis of Assisi Church of Orland Park affords us the opportunity to use their facilities in providing a truly rewarding and fun filled musical experience.

Register for **Winter Band Day** today and be a part of fun-filled day of music!
